

Keep Moving Forward

It is often difficult in the face of tough circumstances to press forward in the faith. The overwhelming issues of life can leave us battle weary, disappointed and doubtful. Most times it's not that we can't move forward, but the weight of despair holds us down ensuring that we remain immobile, fearful that the future holds no promise and the present though scary seems safe enough.

Our text is taken from

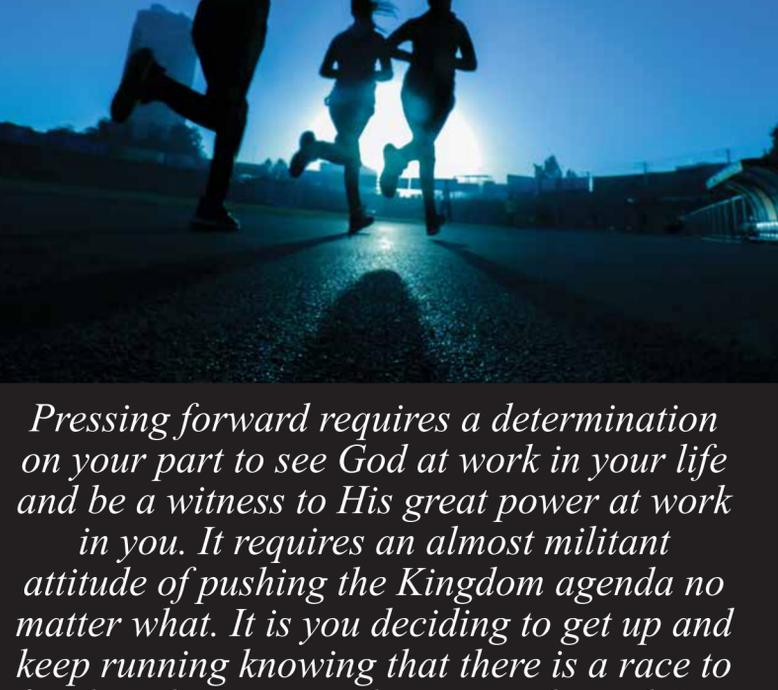

DEUTERONOMY 7:9

⁹ "Therefore know that the LORD your God, He is God, the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments" (NKJV)

Life happens!

You must understand that as believers we do not get an automatic insulation against life oddities, rather being a believer equips you to press forward despite tough circumstances. The Holy Spirit who has been given to us as a Helper, initiates the forward movement by His Power which picks you up and sets you on your way.

What is key is that you allow the Holy Spirit to do this work. The Word of God reminds us that God is able to do exceeding abundantly, more that we can imagine or ask, however, according to the power at work in us (paraphrased). This Power in you is just how much you allow the Holy Spirit have His way in your life, just how much you are submitted to Him.

Pressing forward requires a determination on your part to see God at work in your life and be a witness to His great power at work in you. It requires an almost militant attitude of pushing the Kingdom agenda no matter what. It is you deciding to get up and keep running knowing that there is a race to finish and a crown to be won at the end. It is about focus and an understanding that 'this too shall pass'.

Keep faith,
know that God's
word stands
forever,
if He says He
will rescue you,
Believe Him.

He is the covenant keeping God who never changes, He remains the same, He is consistent. Remember that He says "I will never leave you or forsake you"

PRAYER

Lord God, I believe you!
This too will pass! I stand
on your word that You are
always with me. I will not
despair.

CHARGE

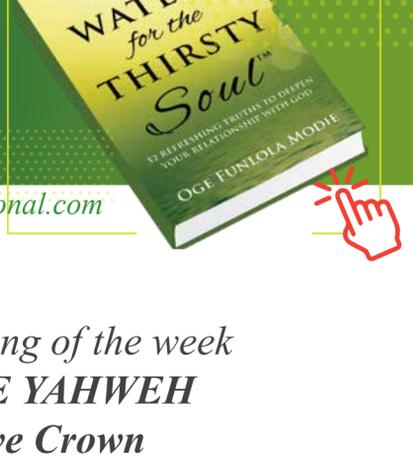

God says "with long life will I satisfy you and show you my salvation". Let this be your mantra, speak it, believe it and walk it.
