## Alleluia!

Dear readers step into this newness as you remain in position for God's word to perform...Amen.

This week we are looking at the title: Healing Is My Bread. My heart goes out to anyone that may have been suffering from any form of sickness or infirmity today. I am confident that God will do a quick work in you today. Amen.

Love is the true nature of our Heavenly Father. For God so loved the world that he gave His only Son...and one of the ways he shows his love is as the bible says,

**"...I am come that they might have life and that they might have it more abundantly"**  
 John 10:10b.

Our text is taken from **MALACHI 4:2 (NKJV)**

**2 "But to you who fear my name, The Sun of Righteousness shall arise with healing in His wings; and you shall go out and grow fat like stall-fed calves"**

Out of the many promises God made available to us through His word, the death, resurrection and ascension of Jesus from the cross, healing is one of the most basic ones. You have fondly heard it once and again that healing is the children's bread.

The text today talks about the **"Sun of Righteousness"** (that is Jesus) arising with healing in His wings for those who fear or reverence His name.

Now, the questions are  
**Do you fear God?**  
**Do you reverence Him?**  
**Has Jesus risen?**

If the answers to all these are YES, then You have no business battling with that lingering ailment.

The next question on your mind is... **"Then why am I still sick?"**

first of all, if you have accepted Jesus as your Lord and saviour, then you have already ticked one of the boxes.

The other is **"do you believe in His saving and redeeming power?"**

If Yes, all you need to do is to

**declare the word of God over your body and everything will be well with you.**

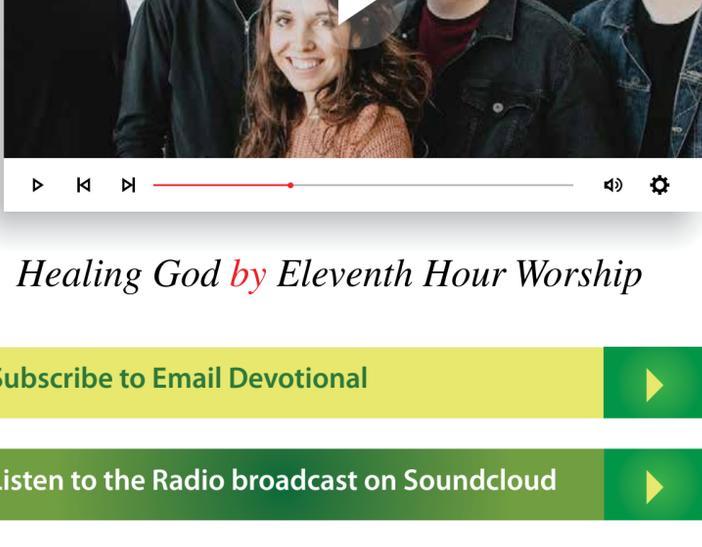

## PRAYER

*Father in the name of Jesus, I thank you for your word of healing. I declare and decree right now that by your stripes I am healed and anything you have not planted in my body is uprooted now in Jesus name. Thank you Father, in Jesus name.*

## CHARGE

*My charge to you today is to keep speaking the healing word of God over your life because you are the healed that the devil is trying to make sick. Hence, you must shake off and resist the sickness in Jesus Song of the Weekname.*
