A QUARTERLY NEWSLETTER OF WELLSRING OF LIFE GLOBAL OUTREACH

VOLUME 1 MARCH 2023 EDITION

We are delighted to bring you the Maiden Edition of the WellSpring of Life Global Outreach Quarterly Newsletter.

With this newsletter, we hope to relay who we are, where we have been, and where we are going. We aim to provide you with updates, news, and insights on our activities and functions; so that you can be assured of your good decision to partner with us.

WellSpring of Life Global Outreach, founded by Dr. Ogechukwu Funlola Modie, is a charity organisation geared towards spreading the Love of Christ. Many people in the country are in despair, from not having enough to eat to not being able to enjoy good health. A reminder that Jesus loves them is sometimes what it takes to make their world a better place.

## Who we are:

Born out of a heart that loves God and full of compassion towards humanity, the WellSpring of Life Global Outreach centres on bringing the unconditional love of Christ to everyone, especially the poor and needy.

**"That all may see your good works and glorify your Father in Heaven" (Matthew 5:16)** is clearly depicted by the activities of our organisation. Through our visits to families, hospitals, and churches, not neglecting the strengthening of ourselves, we aim to inspire the good we hope to see in the world.

### The Good Work Your Partnership / Support Inspires:

**"You, Feed Them"**  
- Mark 6:37

Knock, Knock.  
"Who's there?"  
"The Gospel of Love."

This door-to-door outreach program feeds not only the soul but also the bodies of families with barely anything to live on.

#### Jesus at Your Door

**"I Am Willing"**  
- Mark 1:41

It is said that health is wealth.  
Do not tell that to the sick;  
For they know.

This outreach program offers hope to the sick in dire need of medical assistance and seeks to free them from their illnesses and the burden of their medical bills.

#### Set the Captives Free

**Christians In Need**  
- Galatians 6:10

"As we have opportunity, Let us do good to all, Especially to those who are of the household of faith."  
(Galatians 6:10)

This outreach program remembers the family of believers, through supporting the works of their hands and the welfare projects of the Church.

#### The Brethren Project

**"Come Away By Yourselves"**  
Mark 6:31

It is by the grace of God we can do what we do, despite our own pressing needs. So to those who share in the burden of our call, to partners and sponsors, we offer a time of refreshing. We get intimate with God, connect with one another, and share a simple meal.

We held our quarterly **Jesus at Your Door outreach in December 2022**. This particular outreach was a significant one as it took place three times in one month. This implies that the number of families we would have ministered to in three quarters in a year were impacted in one month.

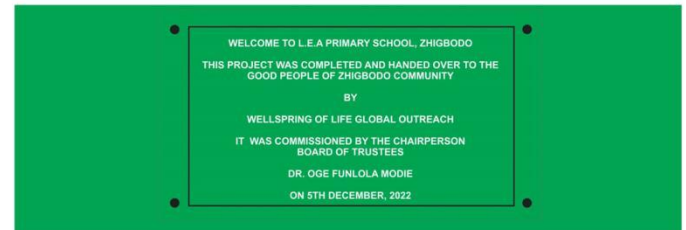

The locations and the dates we visited are as follows: Gwagwa Jiwa on the 17th; Daki Biyu and Jabi Field on the 24th; and Jiji Koko and Mpape on the 31st. During these visits, our team distributed over 500 relief materials. The beneficiaries expressed their delight at being remembered and their hearts were gladdened that they could enjoy the festive season

with a full stomach. Likewise, our hearts were filled with joy as the recipients praised Jesus for reminding them of His love in the Christmas season.

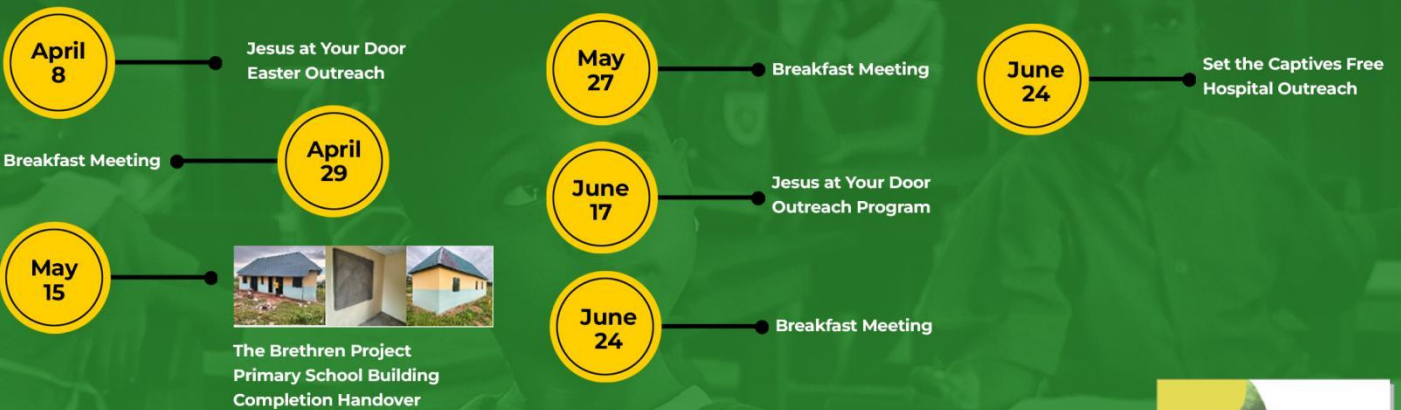

**The Brethren Project** has erected a primary school block for the good people of Zhigbodo Community, which was commissioned on the 5th of December, 2022, by our founder, Dr. Oge Funlola Modie.

With this new development in the community, the future generation of Zhigbodo community can look forward to learning and having an education. Children in that community can learn to dream, and dream big, and look forward to a time when they themselves would contribute to the development of their community.

We rejoice over the handover event, which is to take place in the month of May. Also, we thank God for all who made possible the completion of this school building.
